

HAPPY ST. VALENTINE'S DAY!

Celebrate those you
LOVE by letting them
know how much you
VALUE THEM!

Whether your spouse,
fiance, family member or
close friend, tell someone today, that they have a **SPECIAL PLACE IN
YOUR HEART** and that you **THANK GOD FOR THEM EVERY
DAY.**

Feel free to add **CHOCOLATE** or **FLOWERS**, if you think it might help
get the message across! Releasing the **LOVE OF GOD** opens the way for
ALL of His goodness to flow freely!

Happy St. Valentine's Day!

Releasing the

Supernatural for **Finances**

We're off to a great start for this year that will prove to be extremely prosperous for you and all you do. God is moving mightily among His people and is causing us to rise up and ride with Him in High Places! It's time to seek the Lord more than ever before so He can do what He wants in each of our lives.

God Is Releasing the Supernatural for Finances!

There is a shift going on and it is concerning your finances. God is wanting to release finances into your hands to help take care of your family & to fulfill the dream that He has put in your heart. For some of you that is about having a nice house to live in and have people over to share the love of Jesus. For others of you it will be about taking that honeymoon that you never got to take. For you that are called or pastors/ministers it is about having the money to do what He has called you to do.

Look at what seeking God does for you:

.....As long as He sought (inquired of, yearned for) the Lord,

GOD Made Him to PROSPER! II Chronicles 26:5

The word prosper here means:

1. To push forward into His divine plan for you.
2. To break out of every natural limitation.
3. To go over in His supernatural ability.
4. To be profitable in everything you do.

In Chapter 2 of our new book, ***Living the Fillionaire Life***, we talk about "budgets live in our world, but not God's." God has an unlimited supply of

miracles for us. That when you learn to live in the miracle flow by seeking God then He makes all of your ways prosperous. When you have a supernatural flow of miracles in your life, God MAKES YOU prosper. I had a bicycle I rode to work in college and later I gave it to someone and God gave me a car. Then later we were able to give away cars, vans and motorcycles. When you give someone something significant you become an instrument of miracle provision.

**As long as you do this, God will push you forward,
break you out, cause you to go over and MAKE YOU prosper.**

As a FILLIONAIRE you learn to practice your faith daily. Cyndy & I have been targeting one thing to press in on daily. We are still doing our other prayers but we have one MAJOR PROJECT for each day that we are focusing on.

Like praying for:

- Someone who is having an important meeting with their boss!
- Releasing the angels to bring you that new car!
- Significant influential doors of ministry to open!

It keeps our focus on seeking Him all day long in a powerful way to release the supernatural.

February Partner Update:

Thank you for partnering with us to bring a fresh breath of faith to this generation. We love you and pray

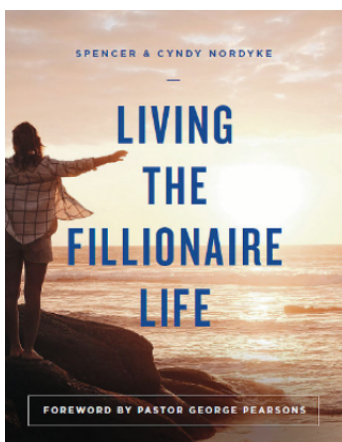

for you that God is filling you with the knowledge of His will in all wisdom and spiritual understanding. When He shows you what to sow this month, your seed will push you forward into instant harvest. That's how God is doing things now—*quickly and completely*. Expect a miraculous breakthrough when you give. We are standing with you because we are all in this together!

Someone wrote this week and said,

"I purchased your book through Kenneth Copeland Ministries and received it today through the mail

and once I picked it up I couldn't put it down until I

finished reading it from front to back. It brought tears streaming down my face. Thank you!"

WOW! What an amazing testimony! Send us your stories!
