

MARCH into PLENTY- FULL!

It is March already! Time to line up and

- MARCH into Victory
- MARCH into Destiny
- MARCH into PLENTY! (Psalms 68:7-9)

When you delivered us, you marched ahead in to the wilderness and sent a PLENTIFUL RAIN!

Something is happening in the spirit realm that is really important to take note of. While there is a new anointing for new healings and miracles, new joy

erupting in our hearts and new expectations for what is starting to come to pass, there is also a **NEW SOLIDNESS & SERIOUSNESS**. When God is establishing something, it's vital that the foundations are perfect, or else there will be cracks and problems in the building later on. You don't want to miss what is happening in the church. You want to stay plugged in to what God is doing.

When you first get married there is joy, excitement and so much life. It is like a dream come true! Then you realize that this is serious, not just pretend, and you have to grow up and take hold of your future together. You both must work together and possess what is yours. That is where PLENTIFUL comes in! The Lord Jesus himself wants to elevate you to positions of influence. The miracles He is ready and able to do will require that you and I rise up and possess what belongs to us so we can change the world! Your new normal is like:

The King (Solomon) made silver and gold as PLENTIFUL in Jerusalem as stone. II Chronicles 1:15 NLT

When you are **MARCHING** - You are moving forward and God has given you **PLENTI-FULL** so you can take new territory. **PLENTY** is a **FULL, ABUNDANT SUPPLY**, a large amount, more than enough!

In ***Living the Fillionaire Life*** book in Chapter 9, we

tell a story about Cyndy getting a call and having to spend \$50,000. by Friday for the school she was in charge of. It is a great story about plenty, you need to go read the chapter again. God is doing that for you. He is making sure your accounts are **PLENTY-FULL** for **Kingdom Purposes**.

I am declaring that this month PLENTY is coming to churches/ministries and businesses. You will be looking for places to use the money God has sent you.

Dear Fillionaire,

As we travel and minister we are seeing so many miracles of healing, provision, promotion and plenty! I am personally loving seeing the hope and encouragement going forth. Last month, we were doing a **LIVING THE FILLIONAIRE LIFE SEMINAR** at a church & the Lord has us stay downtown in a hotel to pray over the city. Then we had lunch with the pastors and we drove around and prayed together. At the end of the seminar we prayed over everyone that wanted prayer. Such awesome miracles and those miracle testimonies create other miracles. God is confirming His Word with *signs, wonders and miracles* to encourage His people that He is ready and willing to use His power on their behalf.

We're praying for you! Your **PLENTY-FULL** has come! Everyone who sows into this ministry gets miracles, because you come into covenant with the **FILLIONAIRE FLOW!** Thank you! Thank you!

us up together for such a time as this and we are Reaching Nations & Generations! *March is going to be PLENTY-FULL!*

Blessings!

Spencer & Cyndy Nordyke

ENCOURAGING WORD!

All the resources of Heaven are at your disposal because He is in you. You are in Him. He is full of miracles, and so are you! **You have been called to PLENTY-FULL!**

Some of you have felt stuck. You have been working on some things for a while and it doesn't seem like it is moving the direction you want it to or fast enough. Several of my grandkids are into Lego's. They have more than you can imagine. They build, they tear apart, they build again, they are always building & creating. You have to stay with it and keep building. You need to be creating things. Do something to activate your miracle. Just today, we are mailing a Purple Passion Bible to a pastor's wife, a DVD set of a Minister's Conference to another friend and then we are sending a package for someone's vacation. *Sowing is the fastest way to get things moving on your behalf. When I wrote the last sentence I heard in my spirit some of you saying "but I don't have anything to sow" & I heard the Lord say. "SOW FROM WHAT YOU HAVE."*

Take hold and MARCH into your PLENTY-FULL by doing something you can do.
