Prophetic Journey with Spencer & Cyndy

PRAYER SPRAY

Dear Fillionaire,

We pray that God is fulfilling all the good pleasure of His goodness and **the work of faith with power** that He is doing in you!

It pleases Him to hand craft you for His divine plan, which

is so good that you will be amazed at how fulfilling it will be!

A few days each week I help host a TV program on The Victory Channel called **Morning Prayer**, which is supported by the partners of *Kenneth Copeland Ministries*.

I leave the house before 7 AM & it is on at 8:30 AM Central time and I have so much fun doing it, because we get to pray for and **pray with people from around the world. We have experienced so many miracles** from the program, it's awesome!

In preparation each time, we have amazing makeup personal that make us look good on TV. After they do my face, they reach for a can of hair spray that has written on it in large letters **"PRAYER"** because that can is only for the prayer department. I usually say;

"HIT ME WITH SOME PRAYER SPRAY!"

It certainly helps us to pray when we've been sealed with some **PRAYER SPRAY!**

Prayer Spray could have also been helpful for the Apostle Paul, because He wrote in Ephesians 6:19:

And pray for me, that utterance may be given to me, that I may OPEN MY MOUTH BOLDLY to make known the mystery of the gospel.

Now we know that boldness for praying and proclaiming the good news does not come in a spray can, even though it would be nice if it did. I love it that ***even the Apostle Paul knew that He needed the prayers of others to continue fulfilling what God had called him to do.*** He couldn't do it by himself.

Cyndy and I depend on the prayers of you, our partners, to accomplish God's plans in our lives.

God is calling us to a higher place of prayer support for each other in the Body of Christ so that we can all attain His boldness and His power together.

Praying in unity and love releases and increases God's ability in and through us. We need to hit one another daily with some **"PRAYER SPRAY"** so we can boldly take back what God has purposed for us as His people.

Thank you partners of Nordyke Ministries for your prayers and financial support. We love & appreciate you so much, and know that whatsoever you

sow, that shall you also reap in abundance! We pray for you every day! We love you!

Hitting You With Prayer Spray,

Spencer & Cyndy Nordyke

GOD IS SAYING:

Turn up the prayer power. When just two of you agree in prayer in unity, there is no limit to what I will do for you. As My people move out of self-dependence, & begin depending on My power that I release when you unite together in love, you will see more miracles than ever.

I have called you as one people, believers working together & declaring that My kingdom has come, & My will is being done, on earth as it is in Heaven. When you band together & flow together in prayer & praises, I will establish you, & I will fulfill MY pleasure in your life.

As you press in talking to Me, then you will see supernatural healings & changes in your finances. The more you talk to Me & spend time with Me then the more I can pour into you. Let's do this together!

Be one with Me, & flow with one another & watch Me work in & through you on another level. Enjoy My purposes, My plans & My provision. I have called you together for such a time as this!
