

Prophetic Journey with Spencer & Cyndy

Open Eyes!

Dear Fillionaire,

We pray that God is opening the eyes of your understanding so you can know His calling, His inheritance and His power that is working in you! ***God's provision and purpose is right in front of us*** if we

have eyes that can see it!

This summer **it will be 50 years since I was born again at Christ For The Nations in Dallas, TX.** God changed my life so drastically in the summer of 1974 and everything was brand new. I remember visiting back home in Grand Rapids, Michigan at the end of that

summer. When I looked down at the end of the street, where I had grown up, I saw rolling hills covered with trees and was struck with how beautiful it was. I had seen that landscape every day, but now ***I saw it through new eyes, and it was stunning!***

That's what happened to **Paul in the book of Acts**. He had a calling on His life but was trying to fulfill it in the light of his religion. When **he met the Resurrected Jesus on the Road to Damascus, his real purpose was revealed.**

Here's what happened to him; in Acts Chapter 9:

1. He saw a bright light in Jesus.
2. He lost his own vision.
3. **He got a new vision.**
4. He set out to open other people's eyes.

Here's how Paul described his new vision in Acts 26:18

To open their eyes, in order to turn them from darkness to light, and from the power of Satan to God, that they may receive forgiveness of sins and an inheritance among those who are sanctified by faith in Me.

Once we lose our old vision in the light of Jesus, then we can see clearly with our spiritual eyes open to help others. When God opens your eyes to what is already yours, and ***what is already right in front of you, then you can truly live!***
