Prophetic Journey with Spencer & Cyndy

Stand Fast!

Dear Fillionaire,

We pray that you are living life to the full in the tremendous liberty that you have received in Christ! His life, the cross, His blood and loving sacrifice was the ultimate gift from God so **we could be free**

from fear and bondage.

I remember so clearly the feeling of emptiness that I lived with before I was born again 50 years ago. I had grown up

in church, but it was all about being good and keeping the rules so you could go to Heaven. When I asked Jesus in my heart at 17 years old, all the fear and insecurity I was carrying around left, and I felt 100 pounds lighter! I had been transformed and became a new creature in Christ, and now could actually live for Him.

Stand fast therefore in the liberty by which Christ has made us free, and do not be entangled again with a yoke of bondage.
Galatians 5:1

Once I had experienced freedom in Christ, I had no desire to go back to “trying to be good.” ***He is good, and now He lives through me.*** Why would I ever want to be bound again to performing in the flesh to try to make God happy? He is not only happy with me already, but he loves me so much that He made me His child! I’m free to be totally His, and that is the most liberating thing in the universe!

After getting set free, you are now presented with the challenge of staying free. **STAND FAST IN THE LIBERTY** means that you persevere to maintain your life of freedom. Don’t allow yourself to be entangled once again with the bondages of the flesh, the lies of the devil, or even the trap of religious rituals that don’t contribute to strengthening your new nature.

In Galatians 3:1 Paul asked the question “who has bewitched you that you that you should not obey the truth?” He was referring to religious people that were trying to bring them back into the bondage of keeping the law of Moses with Human effort rather than walking **BY FAITH IN GOD’S PROMISES.** The good news of Jesus is the fact that we have been changed from the inside out so that we can be filled with the Spirit of God and follow Him with a new freedom because we are new creatures in Christ.

We pray that you will continue standing firm in your freedom in Christ, and

have such liberty in serving Him, that your joy will be overwhelming! ***Thank you for your prayers & financial support, we appreciate the love that you show to us!*** We love you and pray for all of our partners daily to have a closer walk with Jesus each and every day because we are all standing fast together!
