Prophetic Journey with Spencer & Cyndy

Free to LOVE!

Dear Fillionaire,

Good things are happening, God is moving, and people are looking up! When Cyndy and I went on a special cruise to the European Capitals several years ago, I heard something interesting from the Lord. We

were in Brussels, Belgium for the day, & I wanted to go see where the European Union meets to make major decisions for the direction of Europe, but the facilities were closed to the public because they were in session.

We had wanted to walk around those buildings and pray, but the tour took us to some other amazing sites instead.

While praying over the city, which influences all of Europe, I asked the Lord what He wanted to do there to impact that nation. I was focused on the government and the leaders but the Lord spoke to me and said:

“I AM GOING TO MOVE ON PEOPLE TO FILL THE STREETS WITH PRAISE. THE REVIVAL IS GOING TO HAPPEN THERE!”

Ever since that day I have been following a number of ministries and social media sites, and **an outbreak of worship is happening worldwide!** We know that God is moving in our government and making changes with the leaders, but the fact that the spiritual atmosphere of our nation is turning towards God is so encouraging!

As God is turning people’s hearts towards Him, we should remember something very important.

“For you, brethren, were indeed called to freedom; only do not let your freedom be an incentive to your flesh, and an opportunity or excuse for selfishness but through love you should serve one another.” Galatians 5:14
AMPC

This freedom we have is so that we can serve each other in love. As God shifts the atmosphere of this nation let’s realize the responsibility we have to walk in love towards each other. Filling our lives with praise to God helps us to not focus on all the differences in our country, and once again become **“ONE NATION UNDER GOD.”** That’s how His Kingdom will come and His will is to be done.

Let’s have more **HEAVEN ON EARTH** by shifting our focus to Praising Him and serving each other in love. We love you so much! **Thank you for being such a blessing to Cyndy & I and our ministry!** We are praying each day for the outpouring of God’s goodness on you & yours!

Free to Love,

GOD IS SAYING:

Fill the air with praise & I will fill your NATIONS with Revival. Turn to Me with all your hearts & lift your voices in worship and discover Heaven on Earth. All the distractions will soon disappear, & you will experience clear skies & light will fill your nation.

Live your life in humble repentance of anything that would get in the way, because the light that is rising will expose the hidden things. You are beginning to see the hidden things be revealed & some of those in leadership are having to step down. People are watching to see how the church deals with sin. Many will call on My name because the light will reveal their dark deeds. My holiness & the fear of the Lord will rise up like in the days of Ananias & Sapphira. Many will turn & know that I am God. Stay in My Secret Place & let me protect you!

Don't get caught up with all the drama of the world. Trust Me totally, knowing that I gave you promises of liberty so you can be empowered to love no matter what. Let my love be your

driving force that will enable you to stand up to evil & walk in love so you can be a bright light in a dark world. Arise & shine, My Glory is upon you!
