The SOUND of MARCHING!

Dear Fillionaire,

We pray that you are increasingly tuned in to the ***SOUNDS OF HEAVEN.*** God is sending out the signal for revival, repentance and restoration, and we can be tuned in to His divine frequency so we can hear

and obey. Don't miss the Heavenly cues that will put you out front in the victory battle!

In I Chronicles Chapter 14, King David had just been made King of Israel, and the Philistines began to attack them. David asked the Lord what to do, and God gave Him the heavenly strategy in Verse 15.

"As soon as you hear the **SOUND OF MARCHING** in the tops of the balsam trees, move out to Battle, because this will mean that God has marched out before you to strike the camp of the Philistines."

God told him to wait for His signal, and that He would go out in front of them to bring them into victory! What was the signal? **THE SOUND OF MARCHING!** They were to start **MARCHING** when they heard God **MARCHING**. There is a sound that God makes when he is **MARCHING**, and you can hear it, if you are paying attention and listening for it. When you hear it, **MARCH WITH HIM!**

Waiting for Heavens signals are extremely important. Go too soon and you can mess it up. Go too late and you can miss your victory opportunity completely.

How do you hear Heavenly Signals? It's really quite simple if you do these things.

1. **SPEND TIME IN THE WORD.** God's Word is the language of heaven, and everything God does is based on His word. That's what Jesus was doing when He was tempted by the devil in the wilderness; he stayed with "It is written." He had that victorious power working for him because He spent time in the Word of God.
2. **PRAY ALWAYS.** King David didn't go out to battle without talking to the Lord about it and getting His direction for it. Prayer is communication. It's vital to be communing with God to get His thoughts and plans so you can do things His way and be victorious!
3. **TRUST AND OBEY.** When you hear from Heaven, follow the instructions completely. I know a lot of us

men don't like to follow written instructions when putting things together, but if you want things to come together correctly and completely you must follow each instruction in order so that it will come out perfect. God shows us His ways so we can have His perfect results.

With all of this in mind I want to ask you something. ***If you haven't already become a partner with Nordyke Ministries, would you ask God if that is something He wants you to do?***
