Far ABOVE Challenges!

Dear Fillionaire,

We pray that you are living above the circumstances and situations of life! Christ has raised us up together and made us sit together in **HEAVENLY PLACES** with Him so that we can be the head and not the tail in every challenge we face.

Think about ***Paul and Silas in the Philippian prison*** in Acts 16:25. It looked like they were ***“under the circumstances,”*** chained up in the inner prison, and placed there by the authorities in that city. The prison guard had the authority to keep them there, but a greater authority was working with them.

Instead of being sad, depressed or afraid, ***Paul & Silas began singing praises to God at midnight,*** and all the prisoners could hear them. They weren't crying and complaining, instead **they elevated themselves above the situation by coming up to a supernatural level of freedom through worship.**

God sent an earthquake that broke their chains, opened prison doors, set the captives free, and got the jailer saved. It is believed that the **Philippian Jailer** later became the pastor of the church at Philippi. Proof that when you totally surrender your life to the highest authority in the universe, Jesus Christ, there is no other authority that can keep you bound.

Now He is FAR ABOVE any ruler or AUTHORITY or power or leader or anything else, not only in this world, but also in the world to come. Eph.

1:21 NLT

Jesus is not only above all other authority, but **He is FAR ABOVE!** There is no other position or office that even comes close to the divine power that he possesses. ***The next time you feel overwhelmed, just lift your hands and begin to praise the one who conquered death, hell and the grave, and watch what he does in your darkest hour! That is your miracle moment!***

When the light comes on, the darkness just disappears! You have the choice to wallow in your circumstances, or to rise above them and change the situation. Choose wisely, because Jesus is far above every challenge you face.

Stop whining & complaining in fear & turn on the light through worship.

Thank you for being such a blessing to us here at Nordyke Ministries ***with your prayers & your giving!*** We appreciate you & we are all in this together! We love our partner family so much, and pray that you are living your dreams by walking in supernatural faith every day!
