

## 1 John 5:4

For everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith.

## Already Overcomers!

Dear Fillionaire,

We pray that you are enjoying your

**OVERCOMER STATUS**

because Jesus has already

**OVERCOME THE**

**WORLD!** If He calls us overcomers, then we should act as if we have **already**

**overcome** in every situation.

***You are of God, little children, & have  
OVERCOME them; because greater is***

## ***He that is in you, than He that is in the world. 1 John 4:4***

Starting in Ezra 3:10, the Bible tells us that the children of Israel began reconstructing the temple at Jerusalem. It had been in ruins since Babylon had taken them over, but now by a series of miracles, many had returned with permission from the king to rebuild. When they laid the foundation, the priests blew trumpets, and the people shouted so loud you could hear it far away. Some of the older Jews wept out loud because they remembered the first temple. It was loud!

They had not yet built the structure of the temple, but they were acting as though it was already finished. You can read about all of the challenges they still had to face before they completed it, but **that didn't stop them from rejoicing as if it had already been done.** That's how we can act too, when we realize that Christ Jesus has already secured the victory for us.

- **Praise Him that ALL of your needs are met!**
- **Praise Him that you are already healed!**
- **Praise Him that your situation is turned around!**
- **Praise Him that you are an OVERCOMER right now!**

When we **act in FAITH** as if His Promises are true (because they are!) then we move into His **MIRACLE MOMENTUM.** Let's adopt an overcoming attitude and start conquering every obstacle! Lift up your hands right now and thank Him that it's done!
