**Your Enemy is SUBDUED!**

Dear Fillionaire,

We pray that you are experiencing the divine lift of God's favor on your life, because you walk humbly before the Lord. **His plans always come to pass** when we keep casting our cares on Him, and totally trusting in the Lord for every step we take.

That reminds me of the story of Haman in the book of Esther. With the help of his wife (and his pride) he was constantly trying to position himself in favor with the king, even wanting to destroy all the Jews in the land, to eliminate his competition. **Esther**, a young lady who had been chosen as the new queen, happened to be Jewish, and **had to bravely step up in order to save her whole nation.**

Haman was jealous of Mordecai, Esthers uncle, and conspired to have him hanged to get him out of the way. When the king found out that Mordecai had saved the kings life, the king ordered Haman to parade Mordecai through the city on the Kings horse and proclaim before him, "This is what the king does for those he wishes to honor." This humiliated Haman.

Queen Esther planned a special meal and invited the King and Haman, where she revealed the evil plot against the Jews, and the King ordered Haman, to be hanged on the gallows that had been built for Mordecai. The Jews were saved, and the enemies of God's people were **SUBDUED.**

***For you have armed me with strength for the battle; you have SUBDUED under me those who rose up against me. Psalms 18:39***

**God will strengthen you to stand up** under all kinds of pressure when you trust Him to lead you in taking steps and speaking up for His cause. Others who

try to put you down and stop you are no match for you when you are walking in your authority. God will make sure that you end up on top and He will humble every enemy under your feet.

We are anticipating a great **“LIFTING UP”** For ALL of our **PARTNERS WHO PRAY AND SUPPORT Nordyke Ministries financially.** God has promised to cause you to rise up above every circumstance, and we know that He is faithful! We love you and continually pray for your total success. **We are all in this together!**
