His Word about YOU is true!

Dear Fillionaire,

We pray that you are enjoying the unlimited favor of our unlimited God!

Nothing is too hard for Him to handle when we put every situation into His mighty hands! **You've got**

the Upper hand when you follow His Word!

There are two very different ways of thinking what it means to “humble yourself under God’s mighty hand.” One, the most common is to lower yourself and act unworthy of even the slightest thought that you deserve any of God’s blessing. This is how most people view humility.

The second way to humble yourself is to listen to what God says, **Receive it** (no matter how “out here” it sounds) and then act like it’s true. The story of Joshua illustrates this. ***God told Him in Joshua 1 to be strong and very courageous three times in a row.*** They went and conquered Jericho when the walls miraculously disappeared.

The next city they went to conquer was called Ai (not Artificial intelligence) and they were completely defeated, and Joshua cried out to God. God’s response was that someone in their camp took some gold from Jericho, which He told them not to do. God told Joshua to take care of the sin, and start being courageous again, and to stop being a cry-baby.

It takes humility to believe God’s word enough to rise up and step into your position of authority. If God said greater is He that is in you, than he that is in the world, then get up and live like **the greater one is in you!**

***“Oh that My people would listen to me,
that Israel would walk in My ways.
Then I would quickly subdue and
humble their enemies, and turn My
hand against their adversaries.”***

Psalms 81:13-14 AMP

Let's quit being wimpy Christians and rise up and be more than conquerors like He said. If all things are possible to Him that believes, then let's believe that he will work all things together for our favor, and not act like we're defeated anymore.

We are who God says we are!

Cyndy & I love and pray for all our ***precious partners who pray & give each month, helping us get this prophetic encouragement to everyone.*** We pray that God is richly blessing you, spirit, soul & body! We are ALL in this together!
