Prophetic Journey with Spencer & Cyndy

Yearning to the **EXTREME!**

Dear Fillionaires,

As Christmas approaches, we pray that you are experiencing ***the FULLNESS OF GOD'S GREAT LOVE*** that He expressed through sending His son Jesus to save us. Our hearts are filled with gratefulness for ***ALL*** that He has done for us, & for everything He has blessed us with.

If you see a child that wants something for Christmas so badly that they faint, you would think that they lack the ability to control themselves. That much focus on one thing could lead to uncontrollable emotions that could affect somebody in a negative way.

The same is true, though, for anyone that competes in sports at a high level. Their focus towards winning has to be ***EXTREME*** for them to push themselves beyond their own limits. That's how you become the best of the best.

This ***EXTREME FOCUS*** on one thing is also found in the Bible. Psalm 84:2 in the NIV says,

My soul YEARNs, even faints, for the courts of the Lord; My heart & my flesh cry out for the Living God.

Here the psalmist describes the intense passionate desire they have to be serving and worshipping in God's presence. Their

YEARNING is so powerful that they could pass out just remembering how sweet & amazing it is to be close the Almighty God & His tangible love.

Let's remember that gathering together with other believers to worship God for **ALL** He has done releases the power & peace of our heavenly Father. He loves to inhabit our praise as we **YEARN for more of Him**. Christmas is about Jesus, God's greatest gift, who opened up the way for us to enter the very presence of God!

We pray the blessing of the Lord comes upon you & overtakes you as **YOU SEEK HIM**. All of our partners are so precious to us, and we thank God for you every day. Your prayers and financial support fills our hearts with the **JOY OF SERVING AND WORSHIPPING JESUS TOGETHER!**

Extremely Yearning for Him,
