

Prophetic Journey with Spencer & Cyndy

God's Part, Our Part!

Dear Fillionaires,

We pray that your 2026 is
off to a great start as we
enter the **VALLEY OF
BLESSING!** (2
Chronicles 20:26) God is

doing His part and we can
**ALL do our part to
bring about an
awakening to our
generation.**

***Do not be afraid or
dismayed because of
this great multitude,
for the battle is not***

yours, but God's! II Chronicles 20:15b

I remember the relief me and my friends felt when they stopped the draft for the Vietnam War when I was in high school. We saw several of our upperclassmen that had to go, and it was not a fun idea to think we would be in a war straight out of high school.

Think of the relief that Jehoshaphat and the children of Israel felt, when they received a **PROPHETIC WORD** from God almighty that He was taking their place and was going to fight the **BATTLE INSTEAD OF THEM!** No wonder they broke out in praise and worship and sang praises all the way to the battlefield. When they got there, it was already over and the enemy had been wiped out before they arrived.

God's job is to fight for us; our job is to believe the prophetic word and act like it's true. **God is defeating sickness and disease for you. He is defeating debt and financial pressure for you. The Lord is restoring your relationships for you.** Your response should be **FAITH in His word**, and praise and thanksgiving for promising you the victory.

We are releasing the power of His word as we pray for you each day, and we know **that ALL THINGS are working together for good**, because you love Him and seek to **follow His purposes for your life!**

Thank you for being a part of God's Kingdom and for ***your faithful support of Nordyke Ministries with your prayers & financial gifts.*** Together we are building up the Body of Christ!
