THE VALLEY OF BLESSING!

Dear Fillionaires,

Welcome to 2026! While
this last year was a time of
transition, ***this will be
a year of***

celebrating major milestones for the United States of America. We are at the 250th year of being a nation, & will celebrate freedom all year long. For Cyndy & I, we will celebrate our 50th Wedding

Anniversary on August 14th, & rejoice for all of God's blessings on our marriage.

I found a wonderful scripture verse for 2026 that describes what is ahead. Look at **2 Chronicles 20:26 NLT**

“On the fourth day they gathered in the Valley of BLESSING, which got its name that day because the people praised and thanked the Lord there. It is still called the Valley of BLESSING today.”

This ***Valley of BLESSING*** was the result of God defeating the enemy for His people. Jehoshaphat ***got a word from God*** that they wouldn't even need to fight this battle, God would take care of it. They marched out ***IN FAITH***, with the singers & musicians leading the way with worship, & when they came over the hill, all their enemies were already dead! It took them **3 days to gather ALL THE SPOILS** in that valley.

For the enemy, it was a valley of the shadow of death. For God's people, it was a ***VALLEY OF VICTORY, PRAISE & BLESSING***. They named that place the ***Valley of BLESSING*** & it was known by that name from that time forward. When God's people needed encouragement, they remembered the ***Valley of BLESSINGS***, & knew that God would take care of them!

We were married in 1976, the same year our country celebrated its 200th anniversary, & when we look back at ***ALL THE TIMES WHEN GOD TOOK CARE OF US*** through impossible circumstances, we just want to praise Him more & more! God has been so good to us & to our nation & it's so awesome to watch as ***REVIVAL SWEEPS our land & praise & worship fills the streets of America.***

Thank you partners for being so amazing *with your **prayers & financial support of Nordyke Ministries.*** Your kindness fills our hearts & we praise God for you! We feel like we are all in this together. ***The places we go to minister & the things we are doing - you are going with us.***

Praising in the Valley of Blessing,

*The times you live in will require a greater focus on what I am doing inside you, so I can work things out for you. I don't look at the outward appearances, I'm looking into your heart, so keep your heart right & focus your **FAITH** on Me & watch all things work together for your good.*
