

Prophetic Journey with Spencer & Cyndy

Watching & Learning!

Dear Fillionaires,
Happy February! We pray that you are experiencing the **JOY OF GOD'S** amazing **LOVE!** This is such a special month for us because we celebrate our "**OTHER**

ANNIVERSARY every St. Valentine's

Day!" Our first date was on February 14th, 1975, and I knew I was in love with Cyndy from the start. God brought us together and taught us to walk in His love in every kind of situation.

God has always been passionate about showing His people how much He loves them. Our verse for this year, II Chronicles 20:26, talks about the **VALLEY OF BLESSINGS**, where the Lord defeated all the enemies of Israel. He didn't just tell them He loved them, He demonstrated it His love with a **TOTAL MIRACLE**.

Tomorrow go out against them. They will surely come up by the Ascent of Ziz, and you will find them at the end of the brook before the wilderness or Jeruel. II Chronicles 20:16

Jeruel means "Taught by God!" What did God teach them? He used visuals to show them clearly beyond any doubt that he will remove every enemy and transfer the world's wealth into their hands if they can stand still long enough to **"WATCH & LEARN!"**

One such love lesson the Lord taught me first-hand was when we were in our 20s, Cyndy had to have her tonsils removed. This was a very big deal for me, because when I was having my tonsils taken out at 5 years old, I died on the operating table, and they had to bring me back to life.

I asked the doctor how long Cyndy would be in the O>R>, and he told me to go to the waiting room, and he would see me in about an hour. An hour went by, then 1:15, 1:30, 1:45, almost 2 hours passed and no doctor. My mind was imagining all sorts of stupid things and fear was trying to get in my heart.

Finally, I just told the Lord; "You're in there with Cyndy & you know all things, so what is going on? The Lord was so sweet, all He said to me is **"Spencer, do you know how much I love you?"** Immediately the peace of God filled my heart & I know everything was ok.

I stepped out into the hallway, and the doctor saw me and said "Where were you? I've been looking for you we were done for over an hour." I found out I'd been waiting in the wrong area and there was never anything to worry about.

Thank you partners for the Love you have shown us here at Nordyke Ministries with your prayers & monthly financial support. You are a demonstration of God's wonderful love & we love you so much.
