

## Prophetic Journey with Spencer & Cyndy

### Slow Down & See What God Sees!

Dear Fillionaires,  
We pray that the  
revelation of **HIS  
PLANS** for you are  
becoming clearer by  
the minute. It's so  
important that you be  
in the **RIGHT** place  
at the **RIGHT** time

doing the **RIGHT** things. That's called seeking first the  
Kingdom of God and His **RIGHT**eousness. If you can see

what God sees, you can follow Jesus in **TOTAL FAITH.**

In 2 Chronicles 20, Jehoshaphat and the children of Israel were threatened by a massive army that stretched as far as the eye could see. They sought God, who sent them a **WORD;**

***Stand still and see the victory of the Lord for you! II Chronicles 20:17***

This meant they had to stop being affected by what they could see in the natural, and slow down and be still in their hearts long enough to see what God saw - **THEIR VICTORY!** There is so much junk in the world that tries to distract us from **THE VISION GOD HAS FOR US,** and we can put the natural circumstances in slow motion so we can see past them and believe in God's destiny for our lives.

Here's what we've recommended to friends and students when they are faced with a 2 different choices on their road ahead. This is a great way to tune into God's direction.

1. Put life on hold for a few days so you can focus; take the weekend and do this.
2. Take choice #1 that is before you and set your heart on it like you've decided to do it for 24 hours, and then see if you feel at peace or are agitated inside.
3. Take choice #2 and do the same thing for another 24 hours and see if there is peace or agitation.
4. **FOLLOW THE PEACE.**

Most times your heart (spirit) will tell you the direction to take. You may need to fast and spend time praying scriptures, or praying in the spirit during this exercise, but 99% of the time, you will be able to see the answer clearly by doing this.

We know that God is giving you the **wisdom to have His vision for your future.** We praise God for all of our amazing partners at Nordyke Ministries, and we

know that God is blessing you every day! Thank you for your continued prayers and financial support!
